POSSIBLE PROGRESS AREAS FOR PERFORMANCE BASED ACCREDITATION PROCESS

Drop Out Rate

STATUS		PROGRESS		
Status Measure	Status Points Earned	Progress Measures	Progress Points Earned	Progress Measure Descriptions
High 1	5	Annual	1 point per increase	1 points for each annual increase of .1 percentage points or more Drop Out Rate points
High 2	4	Rolling Adequate	1 point per increase	1 points for each rolling Adequate increase of .1 percentage points or more Drop Out Rate points
Adequate	3	Annual – This method measures improvement from year to year.		
Below Adequate	2	Rolling Average – This method measures improvement by comparing two-year Averages. Years 1 and 2 are Averaged, years 2 and 3 are Averaged, years 3 and 4 are Averaged, and years 4 and 5 are Averaged; these Averages are then compared to determine the amount of improvement.
